

## Start Your Own Business Training Programme

The Start Your Own Business Programme has been designed to address the needs of those wishing to start their own business, or those who have recently started trading.

### Aim

It is aimed at providing practical support, advice and guidance in a broad range of business areas.

This will enable participants to gain a working knowledge of how to set up a business and / or to manage an existing business.

### Benefits

What the programme offers:

- (1) How suited are you to run your own business?
- (2) Help you develop a business plan for your own business.
- (3) Introduction to a broad range of business issues facing all those who start and run their own business
- (4) A Business Advisory Service, which provides one to one support to assist you in the development of your business idea.
- (5) A financial planning service which will highlight potential sources of funding and eligibility towards further assistance, such as grants, low interest loans and equity.

### Content:

- Enterprise & Self Employment
- Market Research
